Urgent California Energy Grid Relief Rebates

RETROFIT LIGHTS & DEHUMIDIFIERS NOW AND GET UP TO 100% CASH BACK REBATES

Pacific Gas & Electric Co. • San Diego Gas & Electric Co. • Southern California Edison

LIMITED TIME OFFER

Don't miss this unique offer.

The State of California has increased its incentives program and is now offering cash back rebates up to 100% for retrofits of LED lighting and dehumidifiers. Over 80% of the state is now eligible and incentives are now paid faster.

Cultivators who are serviced by Pacific Gas & Electric Co., San Diego Gas & Electric Co., or Southern California Edison can now receive rebates from 20% to 100% (based on the item purchased and the utility).

Additionally, you realize big savings on your future energy costs and enjoy the many other benefits of LED lights and energy-efficient dehumidifiers. You must enroll first before purchases. Contact us for details.
